

PRESS RELEASE

"HYMN TO LIONARD" IS THE OFFICIAL ANTHEM OF THE 500TH ANNIVERSARY.
FROM THE DEATH OF THE WINNING LIONARD.

AUTHORS AND PRODUCERS OF THE SONG:
LUCA AND DIEGO FAINELLO (IN ART SONOHRA"

May 2, 2019: Exactly 500 years after the death of one of the greatest geniuses of all time, Leonardo da Vinci. 500 years in which the memory of a man who was an engineer, painter, sculptor, scientist, architect, inventor, musician and much more, has been handed down from generation to generation... To commemorate this, the **Marinelli** Pontifical Foundries of Agnone had the celebratory bell known as the **Leonardesque** bell coined.

For the important anniversary, the Mani D'oro Cultural Association has created "**Celebrando Leonardo 500**", a container of initiatives aimed at telling the thought, visions and inventions of a man who has been able to anticipate the times. Among the many projects: "**L'INNO A LEONARDO**", the official anthem of the 500th anniversary of Leonardo's death, produced and written by **Luca and Diego Fainello** from Verona (known as **Sonohra**), with the words of **Alberto Vincenzo Vaccari**, art expert and artistic director of the Celebrando Leonardo 500 project.

From May 2nd the OFFICIAL INNO will be distributed by the record label **The Saifam Group** and available on all digital platforms.

Two versions will be released: one in **Italian** and one in **English**, with the ambition to make the song the official anthem of all the international celebrations dedicated to the genius of Leonardo. The Italian version will be sung by **BEATRICE PEZZINI**, a young singer-songwriter from Verona who came second at Raidue's talent show "The Voice", while the English version will be sung by the authors and producers of the song, **Sonohra**.

A project that was born with an international soul, ready to fly beyond our borders to tell who Leonardo da Vinci really is.

*Little by little it's Leonardo, in a duel for the mind,
who he was and how much he loved people,
like the smile of an intriguing Mona Lisa,
to make him the riddle of who he really was...*

Alberto Vincenzo Vaccari

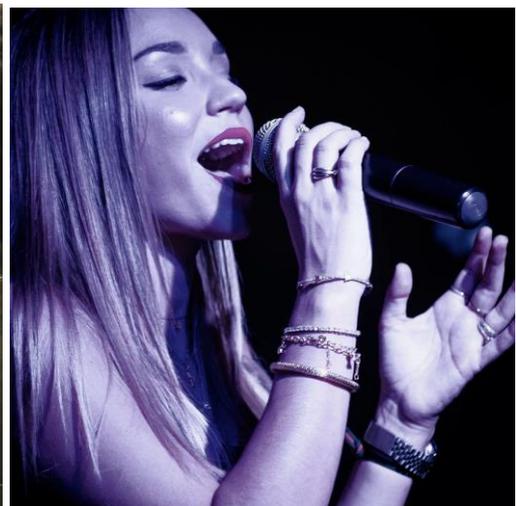

- The Song of Leonardo intends to be part of a show being studied and realized, entitled: "**THE FEAST OF PARADISE**", with unpublished **music by Sonohra**, written in a modern key, spoken with narrating voice of Vasari and sung, with the **Song of Leonardo and Mona Lisa**, choreography by choreographer **Matteo Reggiori** with the ballet **Oki Dance de Paris**.
